

“9 Civic Sense Basics for Every Indian”

1. Never spit on roads or public places
2. Never urinate in public places
3. When using public toilets, think about your family using it after you
4. Throw garbage only in dustbins
5. Do not throw wrappers/tissues out of moving vehicles
6. Do not leave an area/space dirty after using it
7. Carry paper bags to keep waste during travel
8. Take care of your personal hygiene
9. Always keep your home and workplace clean

These 9 Civic Sense basics are a result of the collective inputs of citizens in the 245,000 strong citizen community – Swachh Bharat. This citizen community is a joint initiative of Ministry of Urban Development and LocalCircles.
